PBC Family Fun Weekend

how to have a GREAT FAMILY

Friday – Monday, July 28-31, 2017

ADVENTURES ON THE GORGE®

Already thinking about summer?! With our church in full construction mode this summer, in lieu of our typical VBS and Cross Training activities, let's make summer memories together with a family fun weekend at Adventures on the Gorge, approximately 5 hours away from home. We will have break-out sessions for all ages and talk about developing lines of communication, solving conflicts, building bridges, working together, and serving together. We'll also have an all-church talent show! It's going to be a fantastic weekend and a chance to create some memories that will last a lifetime.

Help us plan this fantastic weekend by completing this interest survey by February 26. This does not commit you to attend, but it will greatly help us plan! Information about cost will be available once we can select a group package. If you have questions, please contact Mary Lou Swiscoski by email Swiscoski@verizon.net or her cell, 703-581-2094.

cut and return to PBC by Sunday, February 26
